Smart Cat S280

SAILING CATAMARAN · 28 FT

Four Reasons the Smart Cat S280 Makes Sense

SWIM STRAIGHT OFF THE DECK

2.9 FT DRAFT. BEACH HER ANYWHERE

Endless Fun

More ways to enjoy every day on the water.

The Smart Cat S280 is built for memorable days with family and friends, from swimming and diving off the deck to exploring beaches, sandbars, bays and islands. Her shallow draft opens up places that deeper-draft cruising boats cannot easily reach.

GALLEY WITH COOKTOP AND SINK

COCKPIT DINING FOR THE WHOLE CREW

Liveaboard Comfort

A compact catamaran with real overnight capability.

The Smart Cat S280 is designed to do more than take you out for the day. Two double cabins and a single berth, a galley, a dining area and an enclosed head with shower cover a weekend at anchor or an extended coastal cruise. Life aboard stays simple, private and comfortable.

Most cruising catamarans ask you to choose between space and access. The Smart Cat S280 refuses that trade.

Practical Design

One open space. More people together.

The open deck layout creates one shared space for sailing, dining, relaxing and entertaining. Instead of separating everyone into small zones, the design keeps family and guests connected through the day. It is built for real life on the water, not just occasional day trips.

ONE OPEN COCKPIT, HELM INCLUDED

DAY SAILING WITH THE WHOLE GROUP

Smart Ownership

More catamaran freedom. Less unnecessary complexity.

The Smart Cat S280 gives you the benefits of catamaran cruising without the size, complexity and operating costs of a much larger yacht. A compact footprint, practical systems and a beam that fits a standard travel lift keep docking, maintenance and long-term operation within reach.

17.5 FT BEAM. FITS A STANDARD TRAVEL LIFT.

ORDINARY SLIP, ORDINARY DOCKAGE

ON DECK

Room to sail. Room to live.

The cockpit seats eight around the table and converts to a lounge. The helm sits outboard with clear sightlines to both sterns, so docking is a one-person job. Forward, the trampoline and coachroof give you the sunbathing space of a boat twice her size. All lines lead aft and the jib is self-tacking, which means short-handed sailing is genuinely short-handed.

FOREDECK LOUNGE

HARD TOP SHADE

COCKPIT AND SIDE DECK

Step below and the Smart Cat S280 stops feeling like a 28-footer. Two double cabins sit in the hulls with real separation between them, and the third berth is a single that most families hand straight to the kids. The head is a proper enclosed compartment with a shower. The nav station doubles as a desk, and owners who work remotely use it exactly that way.

**A home that goes
where you point it.**

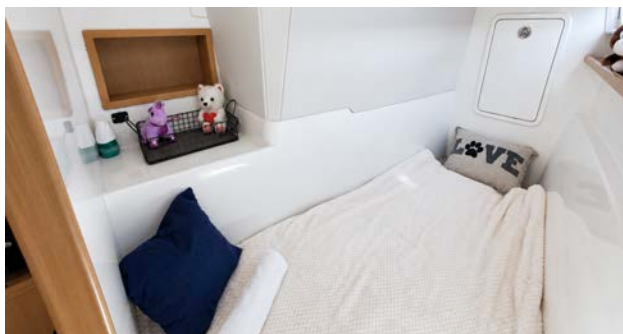

NAVIGATION DESK

GALLEY AND AFT DOUBLE CABIN

DOUBLE CABIN

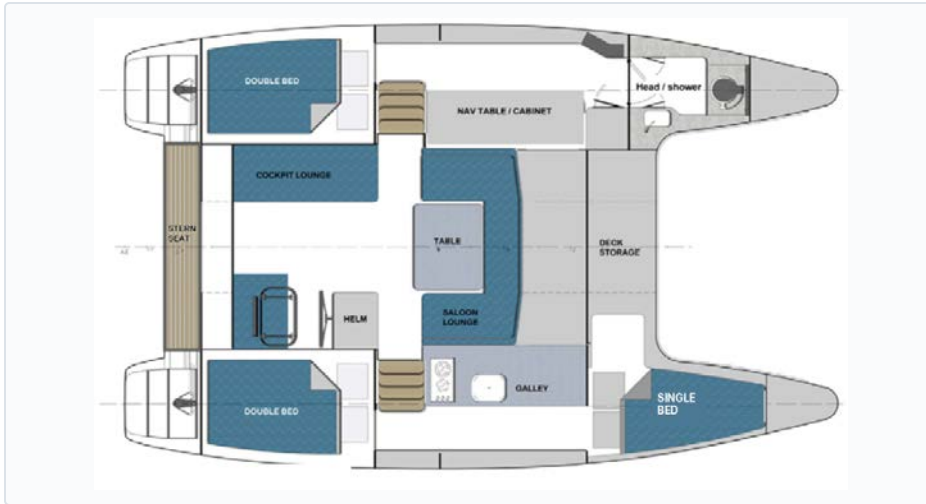

SINGLE CABIN, THE KIDS' BERTH

ENCLOSED HEAD WITH SHOWER

LAYOUT OPTION

Choose the interior that matches how you cruise.

3 cabins & 1 head

Two doubles and a single. Sleeps five. The choice for families.

2 cabins & 2 heads

Trades the single cabin for a second head. The choice for two couples or charter business.

HARD TOP OPTION

Choose the shelter that matches where you cruise.

Open

Maximum airflow and sightlines. Favored in the tropics.

House

Enclosed saloon with climate control. Favored for shoulder-season and high-latitude cruising.

DIMENSIONS

Specifications subject to change by the manufacturer.

HULL

Length Overall	28 ft / 8.5 m
Beam	17.5 ft / 5.29 m
Draft	2.9 ft / 0.89 m
Bridge Clearance	46.3 ft / 14.11 m
Displacement	10,000 lbs / 4.5 t
Berths	2 double + 1 single

SAIL & TANK

Main Sail Area	323 ft ² / 30 m ²
Furling Jib Area	129 ft ² / 12 m ²
Genoa Area	226 ft ² / 21 m ²
Fuel	27 gal / 102 L
Fresh Water	36 gal / 135 L
Holding Tank	23 gal / 88 L

ENGINE / MOTOR OPTIONS

OUTBOARD / GASOLINE

- (2) x Yamaha 9.9 hp (standard)
- (2) x Yamaha 25 hp
- (2) x Yamaha 50 hp

INBOARD / DIESEL

- (2) x Yanmar 21 hp

ELECTRIC MOTOR

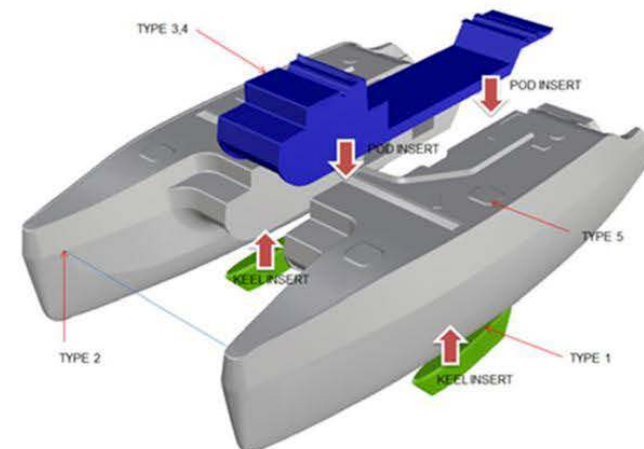

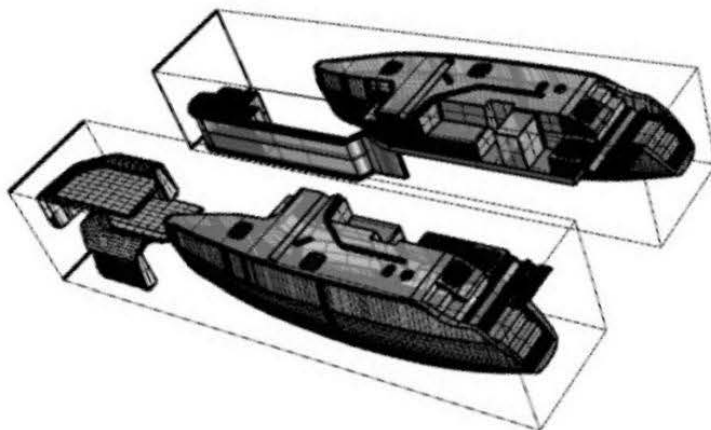

- (2) x Torqeedo 9.9 or 25 hp, Outboard
- (2) x Torqeedo 9.9 or 25 hp, Pod Drive

MOBILITY & SHIPPING

**Two containers.
Any port in the world.**

2 X 40 FT HIGH-CUBE CONTAINERS

Shipping a catamaran normally means a yacht transport vessel, a crane and a five-figure freight bill. Smart Cat engineered around that problem. The Smart Cat S280 disassembles into two 40 ft high-cube containers and reassembles at the destination, which puts standard container freight rates and standard container schedules within reach.

OWNER'S TESTIMONIALS

"For the price of a used boat, we got a new one built our way."

Rob and Terri Laug · Connecticut, USA

"A 28 footer with the space of a 55 footer, at a fraction of the price."

John Kazanjian · Lake Michigan, USA

"Shallow enough to cross the sand flats, open enough to bring the whole family along."

Fred Leclerc · Turks and Caicos, Caribbean
