

SMART CATAMARANS

Smart Cat S280

www.smartcatamarans.com

ENDLESS FUN

Whether you're sailing with a small family, a large family, or a group of friends, the Smart Cat S280 has you covered. Its expansive and comfortable deck provides the ideal playground for everyone. The shallow water-friendly hull allows you to explore shallow waters, islands, intercostal areas, bays, and sandbars with ease and freedom.

PRACTICAL DESIGN

The Smart Cat S280 is equipped with everything you need for a perfect sailing adventure. Its open deck is both spacious and functional, allowing you to sail and party simultaneously. The compact size makes maneuvering and docking stress-free, giving you more time to enjoy the journey.

LIVEBOARD COMFORT

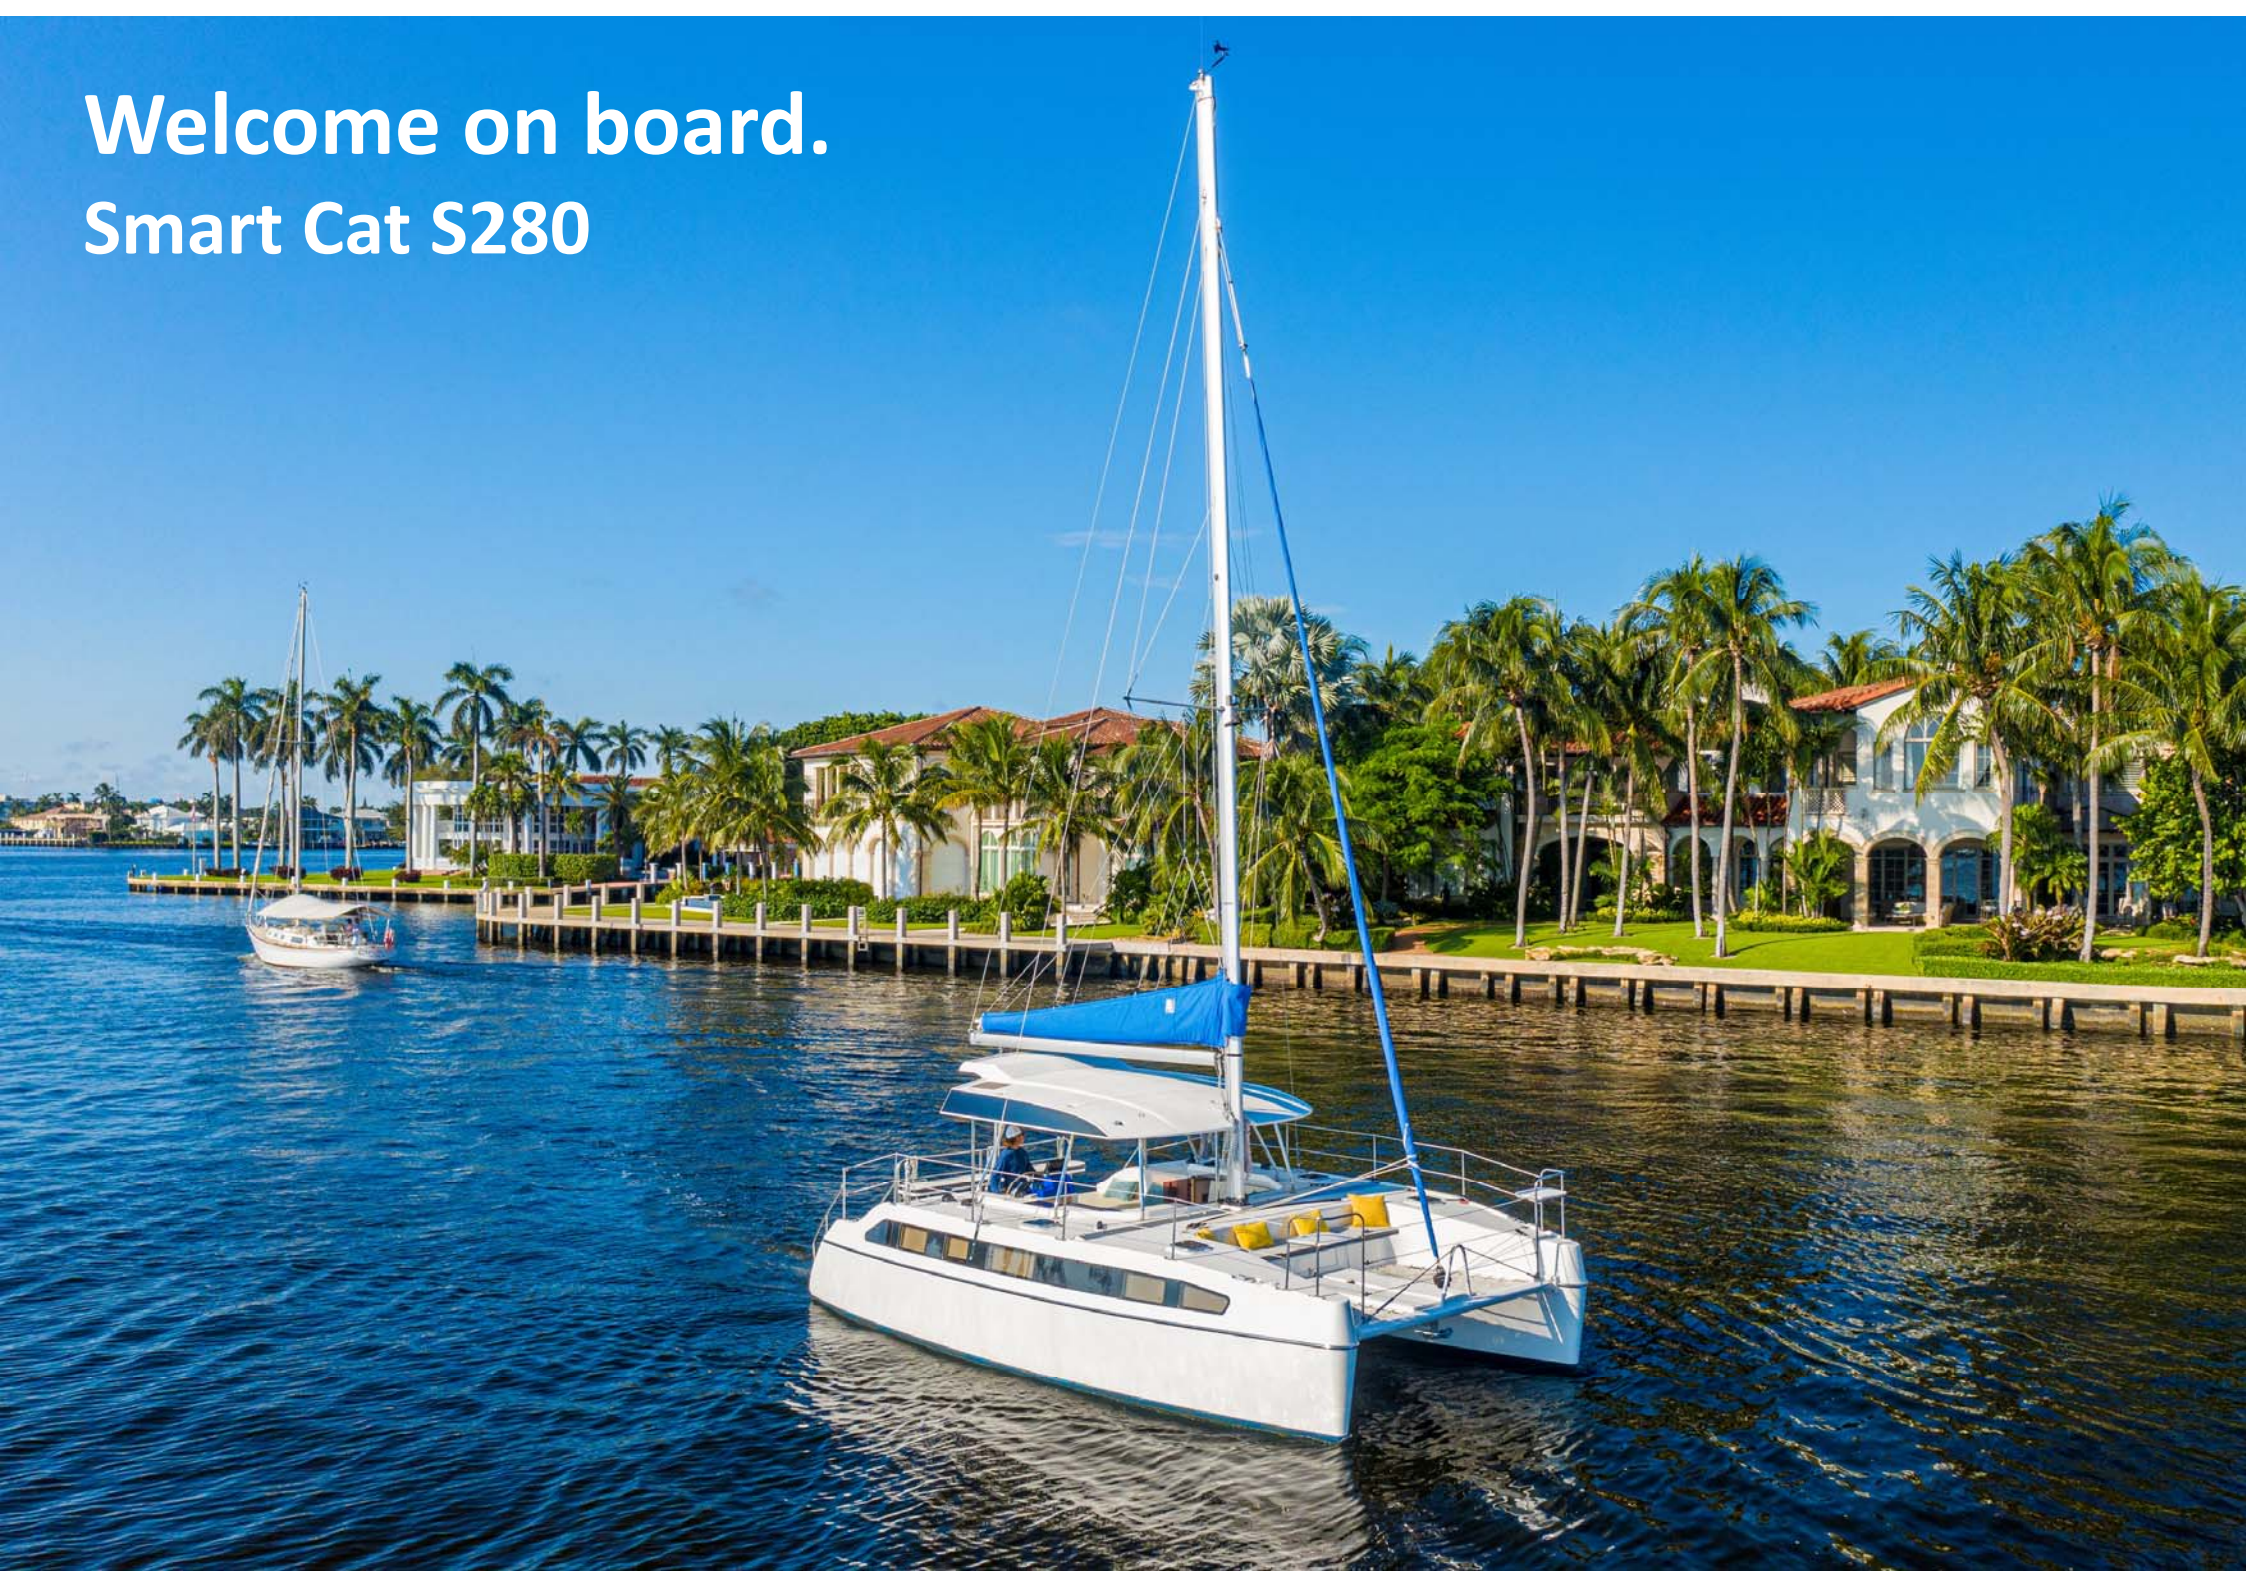

The Smart Cat S280 is the smallest sailing catamaran with a liveboard design and layout. Inside, you'll find ample space featuring three queen-size berths, a head/shower, a kitchen, and an office space. Enjoy comfortable living aboard with perfect privacy, making every voyage a home away from home.

AFFORDABILITY

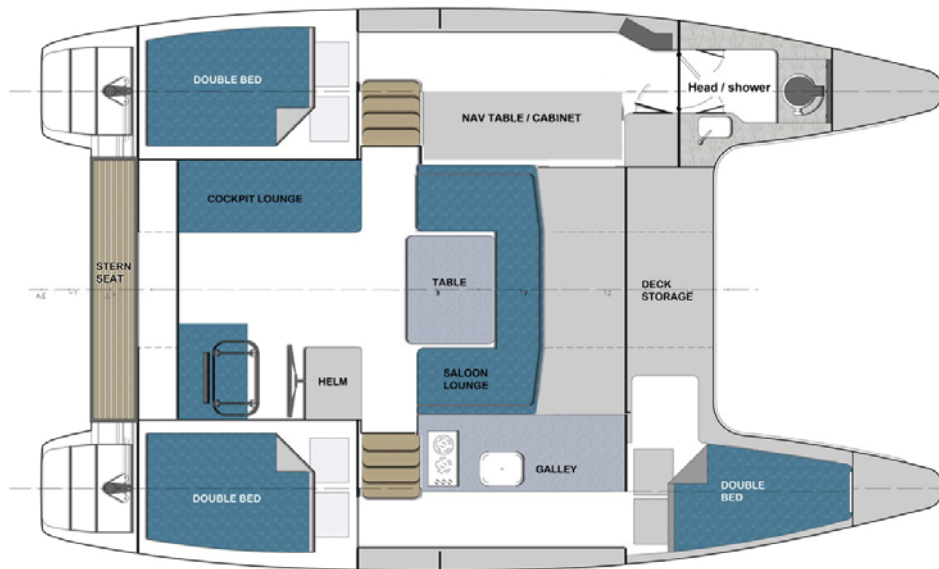

While catamarans are often expensive, the Smart Cat S280 offers an affordable alternative. Not only is the initial cost reasonable, but the maintenance costs are also exceptionally low. You won't need a big marina or a crane for servicing – its simple systems are easy to maintain and service.
